Dear Friends,

Directly below this link is an article from the Osage News Online Edition dated March 8, 2010.

The article indicates that Jim Gray plans to file a Motion to Reconsider the Oklahoma Tax Commission Case. According to the article, if this Motion fails, Gray plans to take the case on to the United States Supreme Court.

The Osage Nation Congress has the power to end this madness by declining to appropriate funding for this action.

Please consider sending a message to the Director of Congressional Affairs, Linda Lazelle, for distribution to each Congress member demanding that they not appropriate funding for this venture: llazelle@osagetribe.org

Sincerely,

*Jenny Miller
Candidate - Osage Nation Congress*
