The Election Board has scheduled a series of Town Hall Meetings to discuss general information regarding the upcoming election. This schedule is available along with contact

information for the Election Office.

Election Laws such as the Osage Nation Election Code and Election Rules & Regulations can be found on this page as well. As developments occur regarding this election, they will be posted on this "new page" entitled "OSAGE CONGRESS-ELECTION 2012."

The Election Board has a wonderful site that should be visited by everyone. The information provided at my site comes directly from the Board's site. I chose to transfer this information for your convenience as I'm aware that there are many Osages who frequent my site more regularly as opposed to election events which are few and

far between. The Election Board's site address is:

<http://www.osagetribe.com/electionboard/>

For the protection and best interest of our future, I kindly ask that you take advantage of the information provided and that you make every effort to get forms to apply for absentee ballots to your friends and family members. It is crucial that all Osage people become aware of the true, honest and unpleasant facts regarding this government and that we prevail in outvoting those who are in favor of lawlessness, corruption and deceit.

This election is not candidate vs. candidate. This election is honesty, integrity and sincere concern for the Osage vs. self interest, corruption and lawlessness. What

will your choice be and what will you encourage your friends and family members to do?

Rally the Troops!

The Election will be held on Monday, June 4, 2012. Up for grabs are 6 congressional seats. Those currently holding those seats are: Eddie Red Eagle, Archie Mason, Mark Simms, Anthony Shackelford, Jerri Jean Branstetter and Shannon Edwards.

These current congress members have been in office since 2006 (6 years). I have seen no indication that any of

them intend to run again for this next term. Perhaps some indication will be forthcoming.

In the mean time, I offer myself, my knowledge and my dedication to the Osage people as a service to all and hope that you will recognize that I, regardless of how much it hurts, have been honest, truthful and factual in my endeavors to inform you and that I am willing, able and ready to bring justice and lawfulness to this government which will in turn give the power and promise to the Osage people for a bright and prosperous future. An asset that will benefit us all.
