2009 Resolution Congressional Vote Record – by: Jenny Miller

Note: This never should have happened in the first place. Federal Law is clear on this matter. If you refer to “My Thoughts on Amendments to the Constitution” you’ll find the law. This is a typical act of defiance on Jim Gray’s part. His actions as usual were not in the best interest of the Osage people when this took place.

I would just add that this Resolution should be clear enough to Gray and everyone else that we are cleaning up messes due to his defiance but we still continue with the mega dollar lawsuit against the Oklahoma Tax Commissioners with regard to jurisdiction.
