**SCHEDULED SPEAKERS: I do not have a list of candidates yet. There will be an open invitation published in the September issue of the OSAGE NEWS. I will send out an email reminder the week prior with a list of speakers who have RSVP'd to date.**

Last meeting speakers were Cynthia Boone, Roy St. John and Jake Heflin. Louis Burns conducted a collegiate quality class on our heritage, including the nuances of paintings. About 60 people attended. The raffle had many items that we all enjoyed.

This meeting we will use a little different format. At 1:00 pm all speakers will have a 3-5 min presentation. (no Q+A) We will then break into groups and have the candidates rotate to address each group. Time limit about 15-20 minutes each .

The kitchen sinks will be all that we can use at the school. To keep cost down I did not request use of the kitchen equipment.

On a personal/professional note: In the state of California we suffered a budget

loss of \$26 billion. Oceanside Unified School District suffered a budget cut of \$12.3 million. I am the chair of the classified bargaining committee, doing the best to carve out wages, benefits and working conditions for 816 non-teaching employees. We finished negotiations for 09-10 school year on July 15.

In part to make up for District budget losses, the rate for renting the South Oceanside facilities will be going up. How much? I don't know yet. I do not receive a break in the price because I am an employee.

I look forward to seeing you October 3

Bill Myers  
Chair
