SCHOLARSHIP DEADLINE

This is a reminder to students and parents of students that the deadline to get your scholarship applications into the education department is Sunday, January 31, 2010. No doubt they will have to be mailed by Friday the 29th for post mark sake. Be sure to check with everyone to make sure they won't miss the deadline.

VOTING TOO

After what the students just went through this last semester regarding their scholarships, let's make certain they accept their responsibility as adult voters and vote in this election. They should condition themselves to be informed and involved voters for the Osage Nation Government now and for many years to come.

Election information, change of address forms and lost card forms are available on the HOT TOPICS page of my

website:

/. Please advise your students to be involved in the process.

STUDENT OR NOT

Individuals who have turned 18 in the last few years should check the issue date on your membership card. If the issue date is prior to October 9, 2002, you will not be eligible to vote. It is necessary for you to contact the Membership office: 918-287-5390.

In the event I'm elected, I'll be looking to see those of you not in school gainfully employed for the tribe somewhere at some point in time. In my view, there is no reason you shouldn't be. The days of wine and roses for the "special" people will take a back seat if we all vote for positive change in this government.

MINERALS COUNCIL RETURNS

Cynthia Boone posted a report on the Osage Shareholder Association Forum: The report is entitled: (**Report on DC Trip** Cynthia Boone 23 Jan 2010.)

While you're at the forum site, it would be good to read the most recent posts by Congressman Supernaw dated 23 Jan 2010 and Geoffrey Standing Bear. Another source of good information can be found by scrolling down to the discussion entitled: **General Question concerning headrights?** Good information is provided on this thread as well. ELECTION ISSUES

No improvement on this front as far as I can tell. Just like the rest of the circus, lots of juggling and no results other than unfinished business and failure to launch.

*"When the people fear the government, that's tyranny.
When the government fears the people, that's liberty."*

Thomas Jefferson

Here's what we know:

- Absentee ballots have to be applied for.
- The applications are not available.
- The applications that are not available can be faxed.
- There is no fax machine.
- We now have an Acting Election Board Supervisor
- We have lost an Election Board, Board member.

So. What we know is that the election situation is running according to Jim Gray and Hepsi Barnett's schedule: LATE to NEVER

DOWN TO 4 MONTHS

We're down now to nearly 4 months. I'm considering taking \$1.00 bets from all of you folks out there to

help me with my campaign costs. I'll be betting against a smoothly run election. Any takers to the contrary?

The only states I'm not hearing from are Hawaii and Maine. Most of these people will be voting absentee. How is it possible if it simply isn't possible? Could this be another scheme from the top? Surely not!

I can hear the wailing and gnashing of teeth now. "We just can't keep up, we're being overwhelmed with applications for absentee ballots and not only that; we don't have a staff in place!" Well, I wonder why?

One thing for sure. If the BIA comes here to oversee the Minerals Council Election and they get a load of this; whatever grandiose nonsense they may have believed about Jim Gray will go directly out the window.

ELECTION BOARD MEETING

The next meeting of the Election Board will be Tuesday, February 2. The meeting will be held at the election office: 532 Kihakah, Pawhuska, OK. The public is invited to attend.

MINERALS COUNCIL MEETINGS

10:00 a.m.
Wednesday, February 12, 2010?? Not possible. I'll get back with you on this.

THAT'S IT FOR NOW

But-- by the way. If we do have an election, VOTE FOR JENNY MILLER!

UNTIL NEXT TIME:

Be safe, stay strong, and laugh a lot!

Jenny Miller
Candidate
- Osage Nation Congress.
