*Ms. Shannon Shaw
Editor - Osage News*

Shannon,

Congratulations on your appointment as Editor of the Osage News. I wish you the best.

Important questions have arisen regarding the election. According to records, John Red Eagle, candidate for Chief, has discrepancies in his educational record. I have attached material referencing this issue and ask that you consider having your investigative reporter follow up on the matter.

As a service to the electorate, I believe consideration should be made to interview all four candidates while securing their birthdates. A service by the name of Student Clearing House is available to verify Degrees and Certificates. This service can be accessed at:

<http://www.studentclearinghouse.org/>

This, just as the Shannon Edward Petition is important information that should be share with the Osage Public in order for them to make informed decisions when voting.

Your attention to this matter will be appreciated.

Sincerely,

Jenny M. Miller
