&

ASSISTANT CHIEF

Tuesday, June 22	7:00 p.m.	Education Center Hominy, OK	Host: Osage Citizens

Wednesday, July 7	7:00 p.m.	Catholic Church Fairfax, OK	Host: Osage Citizens

I find this all very encouraging and am pleased to see Osage Citizens taking an active role in the democratic process. Our government is only as good as the people it represents; therefore, we are seeing movement in the right direction and should applaud the hosts of the three debates scheduled for June 21 and 23 and on the 7th of July.

With all due respect to the Candidates, it would be considerate of these fine citizens to identify themselves and share the rules, guidelines and agenda set forth to carry out this important event. I would expect more information to be forthcoming as they complete the final agenda and I look forward to and am thankful for their initiative.

The Debate scheduled for Wednesday, June 23 at 6:00 p.m. will be broadcast live and can be viewed by accessing the Tribal Website: www.osagetribe.com. The rules and agenda have not been made available for this event either and I expect this information to be forthcoming as well.

Further information will be reported as it is received. Check HOT TOPICS

Speaking of HOT TOPICS

The Osage Shareholders Forum is experiencing some heated debates and quite a bit of dissenting opinions with regard to the Assistant Chief's election. I personally have taken some pretty good hits myself from a few disgruntled Osages who apparently are not happy with the outcome of the election.

Anyone wishing to read all the "fuss" can do so by going to: www.osageshareholders.org.

I did have a participant on the forum ask a question of me and here is a portion of my answer for your consideration:

What I do know is that each of us are entitled to our own opinions and have the right to express them through this venue if we so choose.-----I would just ask that those reading such opinions keep in mind that "they are what they are," (personal opinions).-----Until documented evidence accompanies charges against any particular candidate, It would be wise for all readers to be aware that hearsay should carry very little weight when making decisions on which candidate to vote for.-----If you are asking my opinion regarding what John Red Eagle has accomplished during his tenure as Assistant Chief, I would say that he accomplished all that was allowed under the Tyrant, Jim Gray. In my opinion, the greater questions would be of John and Tim and those questions are this:-----If you are elected Chief will you share your responsibilities with the Assistant Chief, will you include him or her in the leadership process, will you be open to his or her suggestions,

guidance and assistance and will you be willing to compromise?---
-We can only hope that both candidates for Chief are mature and professional enough to answer "yes" to each of these questions and after having read Amanda Proctor's posts these past few days, we can only hope that the person elected for Assistant Chief will be Mrs. Proctor.-----
Once again, this election is not a personality contest, we are faced with saving a multi-million dollar concern and one which will affect all of the Osage people.-----
Never in my life have I seen successful, major corporations being run by those who can sing the loudest, dance the longest, or whine the best.-----This is real business to be managed in the real business world.-----Granted. Our culture is of the utmost importance. Without it we will cease to exist and that's a fact but once again, the word "multi-task" comes to mind.-----Perhaps we should take a look at establishing a "Cultural Chief" and cabinet and let those who are well established in this area bring it to the forefront in an effort to hand the knowledge down rather than treating it as though it is some sort of "secret society."-----
Common knowledge tells us this is the way it is suppose to be done despite the 20th and 21st century generation.-----
-----About the question of what did the Assistant Chief do to earn the substantial salary he is paid.---If you recall and can go back to review, I don't believe the Chief, the Assistant Chief or the Congress did anything to deserve the substantial salaries they voted themselves to receive.-----I continue to believe the salaries should be cut starting at \$10K per year.-----Now to your question about the signatures for the petition to remove Shannon

Edwards.-----We have until the first Congressional Session of the 2nd Congress to secure signatures and I will continue to ask that you download the petition signature page from my website at: www.jenny2010.com at the HOT TOPICS page, sign it and mail it to me at P.O. Box 3165, Bartlesville, Ok 74006.-----If we don't reach an ample amount of signatures, we will continue to secure signatures until we do.-----
-One thing is for certain. If the people don't participate and sign, we won't accomplish anything, so please get your family members and friends to come aboard and do what is best for our government affairs

WITH LUCK

With any luck at all, we will all settle down and have time to gain perspective on the really important issues and the really important facts facing our next Executive Branch. Only then will we be able to make sound, rational voting decisions on July 19.

The upcoming debates are of major importance and will help us all determine which candidates are most qualified and capable of saving our nation.

I hope to see all of you there.
