**For**  
**REMOVAL**

*Members of the Osage Nation exercise the right to Petition the Osage Nation Congress to carry out their duties under:*

**ARTICLE XII- REMOVAL**  
**OSAGE NATION CONSTITUTION**

*by initiating a petition to REMOVE Congresswoman, Shannon Edwards, on grounds of willful neglect of duty during two-thirds of her term as our elected representative.*

*Ms. Shannon Edwards was elected to the Osage Nation Congress in 2006. Ms. Edwards was elected to serve the Osage People for a six (6) year term. Ms. Edwards failed to serve one hundred eight (108) Congressional Sessions and eighty-eight (88) Congressional Committee meetings within the first two-thirds (2/3) of her term. We find willful neglect of duty as grounds for removal, therefore, petition Congress to carry out the process of removing Ms. Edwards from her seat in Congress.*

*We would further accept the resignation of Ms. Shannon Edwards in advance of Congressional Hearings on this matter; thereby reaching a resolution in the most economical, expeditious and diplomatic manner for the benefit of the Osage people.*
