Osage Citizens for Accountability

Dear Friends,

In an effort to express the Osage Citizen's desire to enjoy accountability in our government affairs, a petition has been initiated for the purpose of removing Congresswoman Shannon Edwards from office.

Grounds for removal of Ms. Edwards include willful neglect of duty and nonfeasance. To support this effort would be a responsible act on the part of all citizens of the Osage Nation. The health and welfare of our future depends on you, the citizen. Your consideration of this petition is essential.

Please print the petition, signature page and absentee records and circulate the petition for signatures. Assist in the success of this government by doing your part to ensure accountability.

Mail all signed pages to: Jenny Miller, P.O. Box 3165, Bartlesville, OK 74006.

Sincerely,

*Jenny M. Miller
